

Note 1: "This Libby Bird"

1. Make your Libby Bird then place it; plus one of these notes and a **"Note 2: "Did you find Me?"** in a Ziploc Baggie.
Or... use a safety pin and pin one note and a **"Note 2: "Did you find Me?"** to your Libby Bird.
 2. Then, take your stuffed baggies and 'hide' them in public places for someone to find.
Or hand them out in person to people you know – and don't know! Or mail them to others. (You'll make someone's day!)
- Thanks for spreading Libby's message of happiness and love!
